We are proud to be one of the oldest cycling clubs in the country with a history covering 3 centuries! (well almost...). Based in the south-east of London we have a wide catchment area and around 130 members. We are a mixed club with a wide range of ages, abilities and activities. Our principal club night is the first Thursday in the month - eight o'clock onwards.

We are involved with all levels of racing - Time-Trials, Track, Off-Road, Road/Circuit and Rollers, as well as Sunday Club Runs.

The Club is affiliated to all of the leading cycling associations and membership fees of the Club are as follows:

Ordinary Full Membership	£31.00
Full Time Student	£15.00
Associate	£18.00
Junior (under 18)	£15.00
Juvenile (under 16)	£6.00

Why not pop in and meet your friendly, local cycling Club?
